HOW IT WORKS

1 Send the basics
Your site or social page, services or products, reviews and photos.

2 We write it and build it
A mobile-optimized, multi-page, SEO-ready website.

3 You review the real site
Live in your browser, not a mockup. Tell us what to change.

4 We launch it
On your own domain. You own the site and the domain.

No contracts. Your site and domain are 100% yours. Changes go live within 2 business days. | Questions? Visit 7starwebstudio.com or email info@7starwebstudio.com to get started.
